Community Café and Marketplace—Meals on Wheels—Homeless Services
United Way Partner Agencies—Community Outreach

ABOUT COMMUNITY COOPERATIVE: Community Cooperative was incorporated In 1984 and has been a driving force in the Fort Myers community, providing food for the homeless and nearly homeless, emergency groceries and assistance to those in need.

Community Cooperative is dedicated to ending hunger and homelessness in Lee County by providing nutritious meals, groceries, quality early childhood education, social services, case management and referral to the homeless, homebound, seniors, working poor, children and the frail in the community. The populations we serve have been identified as some of the neediest in Lee County. Our clients are primarily elderly, homeless, and/or working poor, including children.

WHAT WE DO

- We provide more than 15,000 meals each month through our Everyday Café and Marketplace and Meals on Wheels programs.
- We offer comprehensive case coaching and homeless services through our United Way Resource Houses.
- We provide Café Education for adults to learn employment and financial skills, self-development, goal setting and the importance of health and wellness. These classes give individuals the opportunity to gain the tools and knowledge to move forward and achieve positive live change.
- We oversee an emergency mobile food pantry, mobile food rescue and sustainable food projects to more than 2,500 children each school year.
- We serve the Fort Myers and the greater Lee County area, including: Bonita Springs, Cape Coral, North Ft. Myers and Lehigh Acres.
- We work in partnership with United Way of Lee, Hendry, Glades and Okeechobee Counties, Harry Chapin Food Bank and regional community foundations. We also collaborate with fellow community and service groups including The School District of Lee County, numerous churches, business and community support organizations.
