Celebrating Older Americans Month

May is Older Americans Month—a time to honor the strength, wisdom, and resilience of our senior community. We are proud to support and celebrate the older adults who enrich our lives and neighborhoods every day. We recognize the importance of social bonds in promoting health and well-being. Whether it's a friendly meal delivery, a smile at the door, or a shared story, we believe every connection makes a difference.

Generations of Giving

Monique, her daughter, and granddaughter are making a lasting impact at our Community Market—proving that giving back runs in the family. From sorting produce to sharing smiles, their three generations of service show how families can grow stronger together through kindness.
